

Third-Party Fundraiser Application Form

The Children's Advocacy Center of the Coastal Bend (CACCB) requires that all individuals and organizations submit a Third-Party Fundraiser Application for approval prior to including the CACCB as a beneficiary of your event. This form will help to clearly establish the parameters and expectations for all parties involved. All events must be family-friendly and in good taste. The CACCB is not liable for any accidents and/or injuries that may occur during a third-party event.

This form should be submitted for approval no later than 90 days prior if you wish to have the CACCB cooperatively involved with your event; or 30 days prior to obtain approval for a beneficiary or "piggy back" event.

Although the CACCB actively encourages third-party fundraising events, we must approve all events in advance. This is an important safeguard in preserving the integrity of the name and reputation of the CACCB, as well as our commitment to donors. We appreciate your interest in fundraising for the CACCB, and we look forward to working with you!
